My dear Sir:-

Allow me to congratulate you on the good work you are about to undertake in heading the Commission for the destruction of the hook work in the South. You have a big job on your hands, and one that will have far reaching influence in economic development of the country. I think they were fortunate in placing this matter exactly in the right hands.

Wishing you continued health and prosperity, I beg to remain,

Sincerely your friend,

My dear sir: Your kind letter, congratulating Mr Rose upon his acceptance of the position of Administrative Secretary of the Rockefeller Commission, is received. He is absent in the South at Present, but as soon as he returns I will take pleasure in calling his attention to your letter. He will be exceedingly busy during the coming months organizing the work. It is a pleasure to know that the importance of the work of the Commission is so widely and justly appreciated. I am sure that Mr Rose will be grateful for your kindly expressions, and in his name I thank you widely as well as in the name of the Commission.

Yours very truly
